CONGRESSIONAL & INTERGOVERNMENTAL

Rep. Jim Costa (D-CA-16): Brent Maier coordinated and participated in a call today with Scott Petersen, Deputy Chief of Staff and Katrina Ruiz, Environmental Legislative Assistant and Los Banos City Manager Rick Terrazas who had reached out requesting information as to how EPA makes a determination where to place air quality monitoring stations. Air Division's Meredith Kurpius, Gwen Yoshimura, Michael Flagg, Dena Vallano, and Niloufar Nazmi joined this discussion to share information and answer questions. Following the call, Air Division assembled some information on Assembly Bill AB617, monitoring contacts at State and District, general low-cost air sensors resources, and reducing near road exposure which Brent shared with Los Banos City Manager Rick Terrazas.

Sen. John McCain (R-AZ): Austin Kennedy in the Senator's Phoenix Office made a request to meet with HQ officials while he was in DC this week. Brent Maier worked with OCIR's Denis Borum to set up a HQ meeting with officials to discuss the Senator's interest in EPA's Urban Waters Program and Brownfields Program and opportunities along the Rio Salado in Phoenix. This is a follow on meeting to a teleconference held previously with the Senator's staff and HQ officials. The HQ meeting was with Office of Water's Mike Shapiro and others in the Urban Water Program along with other HQ staff/managers. Water Division's Sam Ziegler, Jared Vollmer, and Gail Luis along with Brent Maier participated in the call.

Congressional Outreach on Northern California Fires Response News Advisory: Brent Maier shared today's news advisory with Congressional staff in the offices of Senators Dianne Feinstein and Kamala Harris and Representatives Jared Huffman, Mike Thompson, and John Garamendi announcing that as part of the multi-agency response to the recent fires in Northern California, the EPA has started work to remove asbestos-contaminated debris at fire-damaged properties in Lake and Mendocino counties. This work follows the completion of household hazardous waste (HHW) collection and disposal conducted by the California Department of Toxic Substances Control (DTSC).

Upcoming Congressional Meetings, Hearings, Intergovernmental Meetings and Events:

Monday, December 4, 2017 – Rep. Nanette Barragan (D-CA-44) – Steven Leonido-John, Director of our Southern California Field Office will be attending an upcoming December 4th working group meeting organized by the Congresswoman's office that will comprise key leaders that would work collectively with regulatory agencies to establish district priorities, leading to solution based policies.

Tuesday, December 5, 2017 - Rep. Tom O'Halleran (D-AZ-1): Brent Maier sent out a calendar invite for Tuesday, December 5, 2017 to Congressional staff in the Office of Congressman Tom O'Halleran for our Superfund managers and staff to brief the Congressman's staff on EPA activities on tribal lands in the 1st Congressional District. Superfund plans to update their office on Navajo Nation uranium mine clean-up, Tuba City Dump remedial activities on Hopi, and environmental general assistance support for the Havasupai and Hualapai tribes. Received confirmations back to date from Jack Jackson and Paul Babbitt from the Congressman's office and Superfund's Will Duncan.

Tuesday, December 12, 2017 – Sen. Kamala Harris (D-CA): Following a request made a few months back, we have confirmed a site visit/tour of the Selma Superfund Site for Matt Rogers of the Senator's Fresno Office for Tuesday, December 12th. Superfund's Grace Ma and Alejandro Diaz if he is available will join Tim Patenaude who is DTSC's project manager for the Selma Pressure Treating Company Site. They plan to show Matt Rogers the site warehouse, current groundwater remedy, well locations, and the groundwater investigation (truck, drill rig, one drilling/sampling location) and discuss next steps and answer questions.
